

TAKE4 BEFORE TAKEOFF

ENROLL in the TAKE4 text reminder program today!

There are 2 ways
to enroll

You will receive a text every other day reminding you to take your next dose and to refrigerate the remaining VIVOTIF capsules.*

On the day of your first dose, be sure to:

OR

Text "TRAVEL" to
1-833-207-3377

Scan the
QR code

*The information requested will be used by Bavarian Nordic to send text message reminders. Message and data rates may apply. This is a recurring program that includes a number of messages over the course of 7 days. At any time during the program, travelers may text "HELP" for assistance or "STOP" to discontinue receiving messages.

Vivotif[®]

(Typhoid Vaccine Live Oral Ty21a)
Capsules
